Super Fun Facts

Originally our building was built in the 1890's as a production facility for stagecoaches and horse carriages!

The ceiling is original timbers reinforced by steel we added to support the amount of equipment and weight on the roof. At the highest point is 32 feet tall!

Before Earl Giles, this space was an auction house for heavy equipment and farm machinery.

Our space occupies 18,000 square feet. All Earl Giles companies live under this roof. Distillery produces all spirits & liqueurs. Bottling Company produces all non-alcoholic mixtures, canning operation for all beverages, event space, apothecary flavor lab, and of course the 225-seat restaurant.

Host your own event
in our space!

House Rules

Our plants are very sensitive so please do not touch or move any plants or trees. Our staff will more than happy to assist or answer any questions.

We care for our beautiful scenery and have strict 'feeding' schedule. We appreciate the thoughtfulness in abiding to our 'don't feed the plants' rule.

If you need to move furniture, please ask assistance from our staff.

If you spill a full beverage we'll clean & replace it 100%.

Although very delicious and beautiful, our garnishes are for beverages so please refrain from touching and consuming garnishes on our bar top.
